III. Features

IV. Conclusion and Future Plan

V. Project Developing tool and prototype

I. Introduction

We advertise product promotions for companies and seller to customers through our website. Seller easy to promotion their product and buyer easy to find standard product with good price and quality.

II. Problem and Solution

a. Problem

- People hard to find promotion product
- Spend a lot of time to find promotion product
- Some time get not standard product
- For seller hard to find the place where they can promote their product

II. Problem and Solution

b. Solution

Building a dynamic web application for all information management about promotion products from different company to the world.

III. Features

➤ Backend

Backend store data of company and information about ads

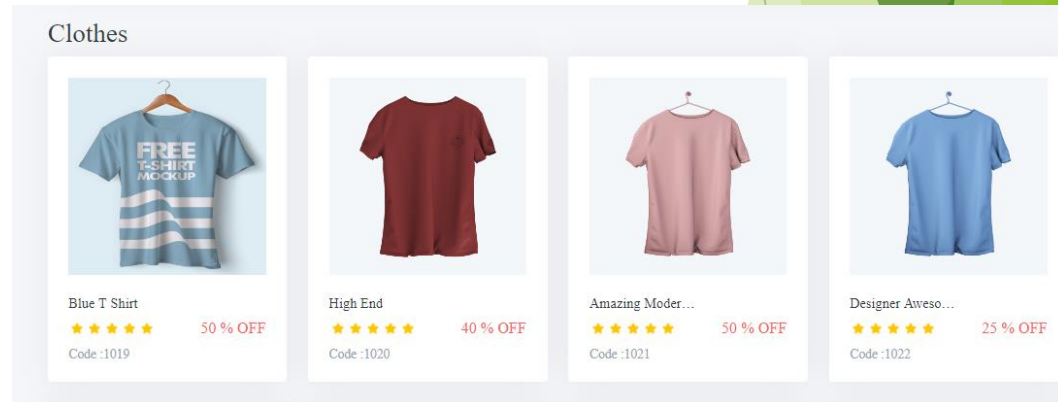

On our right size is Left size bar which control over

- Dashboard
- Manage Promotions
- Configuration
 - Manage Company
 - Manage Size
 - Provinces
 - Brands
- Manage Users
- Categories

➤ Frontend

Frontend to view all promotion post by selecting from the backend

V. Conclusion and Future Plan

a. Future Plan

So, our website is to make sure companies and sellers can advertise their products through our website with the high rate of viewers or consumers.

In the next future, we will develop more in order to make it broad market, broad view, high rate of purchasing

About Us

OUR PEOPLE

The PromotionAds is created by **Hing kosal**, **Kong Sreya** and **Chhorn Soktheng**. We are web developer students at University of Puthisastra. The PromotinAds is a topic of project that we chose to design. The PromotionAds is a website that shows all promotion product around town. Users can view to the whole pages to see the promotion product that they want to buy. Once they see the products they like to purchase, they can click on the view more button to see all information related to the product. Also, they will be able to contact the product owners to purchase.

b. Prototype (Frontend)

A prototype of a login form with a red hexagonal logo containing a white 'M' at the top. Below the logo is a horizontal line with the word 'Login' centered. There are two input fields: the first is labeled 'Email' with a person icon, and the second is labeled 'Enter Password' with a key icon. Below the password field is a checkbox labeled 'Remember Me' and a link labeled 'Forgot Password?'. At the bottom, there is a red button labeled 'Login' with a key icon, a link labeled 'Create New Account?', and a blue button labeled 'Register' with a person icon.

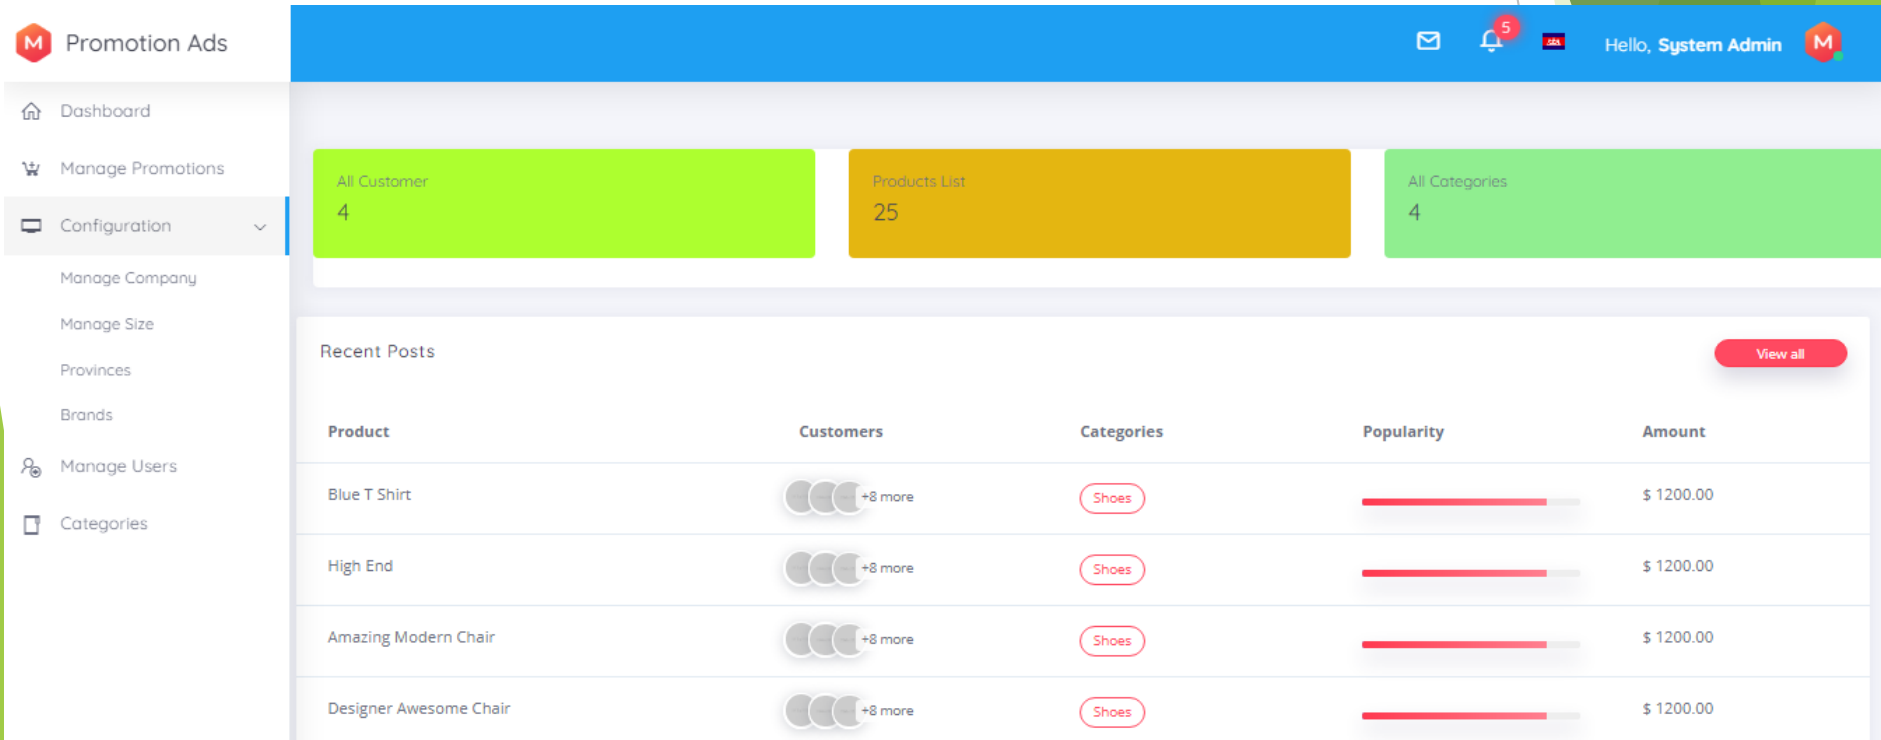

Login Form

Login Form: You need to have Email and password by register to login to backend then you can post your promotion ads.

View Lists Promotion Products

Promotion Product is where we can see all promotion post.

- We can add, update, delete, and view

The screenshot shows a web application interface for managing promotion products. The top navigation bar is blue and contains a mail icon, a notification bell with a red '5' badge, a 'Hello, System Admin' greeting, and a user profile icon. The left sidebar is white and contains a 'Promotion Ads' header with a red 'M' icon, followed by a list of menu items: 'Dashboard', 'Manage Promotions' (highlighted in red), 'Configuration' (with a dropdown arrow), 'Manage Company', 'Manage Size', 'Provinces', 'Brands', 'Manage Users', and 'Categories'. The main content area is white and titled 'Products List'. It features a blue 'Add New' button and a search input field labeled 'Search:'. Below these is a table with the following data:

Promotion ID	Product name	Price	Discount	Category	Action
1019	Blue T Shirt	12.00	50	Clothes	  
1020	High End	15.00	40	Clothes	  
1021	Amazing Modern Chair	15.00	50	Clothes	  
1022	Designer Awesome Chair	15.00	25	Clothes	  
1023	The butterfly chair	10.00	10	Clothes	  
1024	Dining Chairs	13.00	20	Clothes

View a Promotion Product

We can view in specific promotion product.

The screenshot displays a web application interface for managing promotion ads. On the left is a sidebar menu with the following items: 'Dashboard', 'Manage Promotions' (highlighted in red), 'Configuration' (with a dropdown arrow), 'Manage Company', 'Manage Size', 'Provinces', 'Brands', 'Manage Users', and 'Categories'. The main content area is titled 'View Promotion' and features a 'Back' button. The product being viewed is a 'Blue T-Shirt (Brand Alibaba)' with a product code of 1019. It has a 5-star rating and is marked as 'Instock'. The price is shown as '\$12.00 USD' with a '50 % OFF' discount, resulting in a final price of '\$6 USD'. The product image shows a blue t-shirt with white horizontal stripes and the text 'FREE T-SHIRT MOCKUP'. Below the product details, there is a 'testing' status and a 'SIZE : Medium' specification. The company is listed as 'Promotion Ads'. The location is 'Phnom Penh, less than 1 km from Tuol Sleng Genocide Museum and 1.1 km from Royal Palace Phnom Penh'. The contact information is '(+855) 969604049 / 66280228 / 129966100'. The top navigation bar includes a mail icon, a notification bell with a red '5' badge, a YouTube icon, and a user profile section with the text 'Hello, System Admin' and a user icon.
